Johns are in the news again: John Ferchak is getting married November 20 to Louise Brown....John Crable slipped up a river bank and broke his collar bone. John Behun is off to Canada on a fishing trip.

Therese (O'C) & Bud Edlis are happy to announce the arrival of a son, born September 24. But is still stationed in Texas.

Fred Freuthal is leaving October 7 for the service.....but just as we lose one Fred, we get another: Fred Hank has returned after a two-year absence.

Bob Heinbold is taking over Fred's job as Treasurer.

Bob Lesnick has arranged for Pittsburgh Council to become the new owners of a beautiful, big canoe. He's also provided the new Baker Trail markers. (yellow pieces of metal, with red triangles in the center) Sector leaders, make note.

George and Jan Poland live on one of the highest hills in Sewickley---that's the top of the Pennsylvania Pebeplain, and the least likely place to expect a flood---however, you've guessed it. In one of the recent downpours they had just that when the rain dashed down the driveway and flooded the whole place. That's why they've not had time to get out to see us. They are still scraping the mud off the new floors.

Recently, John Malone (with the Marines now) and Bill McCormick returned from a 1500-mile cycle trip into Canada. They have lots of good pictures they've promised to show us.
