Obituary -- American Youth Hostels - Pittsburgh Council

The end of an era - and a long era at that! The last weekly meeting of AYH was held on June 3, 2004 to a packed house, including members dating back to the 1950s. The first weekly meeting was held in the 1930s and, except for a several-year lapse during WWII, had been held weekly ever since.

The cause of death was bankruptcy caused, in turn, by its Pittsburgh hostel on the south side. It was a Black Hole for money as it turns out, pretty much like its Ohiopyle hostel. Below is a bit of history and a biopsy.

AYH's main (and sizeable) contribution to the quality of life in this area has always been its outings program - a lively mix of hiking, bicycling, flatwater canoeing, whitewater canoeing, kayaking, caving, climbing, ski-touring, backpacking and a few others (kite-flying??), plus countless schools in many of these activities. AYH built the Baker Trail and the Rachel Carson Trail that could take one from Pittsburgh to Allegheny National Forest. AYH published numerous editions of numerous guides to hiking and canoeing in the region. Its extended trips in the summer took many of us on unforgettable trips such as backpacking on Mt. Rainier, the Olympic Rainforest, the Olympic Seashore, the North Cascades and Rocky Mtn. National Park, cycling hostel-to-hostel in New England, hut-hopping in the White Mountains, white-water canoeing and sail-canoeing on the streams and lakes of Wisconsin and countless others. No one will ever know how many multi-decade-long friendships came out of the delights, camaraderie, trials and tribulations of all those thousands of trips. Calamity Rock in the Cheat Narrows was named for a terrifying rafting episode on an AYH trip. White water canoe trips have been known to arrive, still cold and wet, back in Pittsburgh around 4 AM. There was a broken back on a bicycle descent off of Pittsburgh's Mt. Washington, and a nasty altercation between a bicycle and a pickup truck.

AYH always had its ups and downs. At times its weekly Thursday evening meetings saw people packed shoulder-to-shoulder watching slide shows of past adventures and listening to 8-10 trip leaders advertising the adventures they had planned for the weekend. At other times the organization was held together by 3-4 people struggling to get the club back on its feet. A lot was learned about the dynamics of "volunteer associations" (as such organizations are called). One example of many: A preoccupation with social aspects and beginner-oriented trips foretells an impending collapse. A focus on substantive outdoor-oriented adventures and pleasures means another growth spurt toward a membership size that tends to attract the purely socially oriented.

AYH was always a down-to-earth, low-budget operation that attracted people of like mind. Its headquarters/ meeting room was a former Mellon estate chicken coop built on the property line with the Marshal mansion (now Arts Center), apparently as a result of some sort of feud. Outings had always been profitable, even with trip fees of \$0.25 to \$1/day, canoe- and bicycle rentals of a few dollars per day, and sales of modestly-priced trail guides. This combination of profitability and frugality might well have been AYH's undoing. The several hundred thousand dollars in savings generated over the decades was perhaps too much of a temptation to the hostel-oriented faction of the club. (AYH always had an uneasy split personality.) They grabbed control of the club, abolished the Activities Board (that had always handled the day-to-day operations of the club) and sunk everything into a highly leveraged hostel. The rest is history.

ROCK CLIMBING

Important Notice / Rock Climbing

We regret to inform our members that the Pittsburgh Council is no longer able to sponsor any rock climbing activities for insurance reasons. Our liability insurance is provided through the National AYH organization. After lengthy discussions with National's insurance carrier, we have been notified that a number of activities classified as "high risk" have been excluded from our coverage effective 1 April. While National was successful in negotiating the removal of several activities (such as ice-skating and cross country skiing) from the initial list of exclusions, they were ultimately unsuccessful in being able to have rock climbing covered. While we are disappointed with this exclusion, we have no choice but to stop sponsoring all rock climbing activities. Thank you to all of the volunteers who assisted in the organization and operation of the rock climbing activity over the years. It would not have been possible without you. Discussions are underway with other activities organizations that may be able to sponsor rock climbing activities. For more information, please contact Chuck Jones at charljonz@excite.com or (412)766-4036 or Annie Jones at (412) 303-1793. Please call before 10 o'clock at night. <http://www.wpfi.org/>

While it is unfortunate that we will no longer be able to sponsor rock climbing, we would like to remind both members and non-members of the great activities that we sponsor, and encourage everyone's continued participation.

SAILING

The AYH no longer owns its own sailboats or runs trips but Bob Zavos will help coordinate sailing interests with other area organizations. The Moraine Sailing Club (MSC) is the largest local sailing group. Most activities are on Lake Arthur in Moraine State Park which is about 35 miles North of Pittsburgh. They offer education, social events and run a youth summer sail camp. They also have a large racing program and sponsor a Community Sailing Program for people without their own sailboats. They help organize/publicize Cruising Trips, but do not officially sponsor them. More information is on their website at www.morainesailingclub.org. Big boat sailors may want to check out the Erie Yacht Club: www.erieyachtclub.org or the Erie Bayfront Center for Marine studies: www.goerie.com/bcms

Moraine Preservations Fund (MPF), is looking for volunteers to help with the 50 passenger pontoon boat which they run on Lake Arthur in the Summer. It is used for scientific hands-on field trips for students and summer and fall tours for the public. They are looking for people interested in becoming volunteer mates and captains. You will need to have a boater's safety class, which you may already have taken or is easily available locally. To be a mate you must be 16 and 18 to be a captain. The boat training is given by experienced MPF captains, and you will be tested and licensed by the Fish and Boat Commission. The times and amount of time you would volunteer is completely by your choice. Even limited help is appreciated. If you have questions or would like to sign up, please contact Ruth Roperti at 724 843 7046, or email: missionmorain@zoominternet.net

The 6th annual **Lake Arthur Regatta is scheduled for August 14 & 15**. This is one of the largest water and boating related activities in the area. Mark your calendars and look for more information later in the season on the MSC Website or the Butler County site: www.visit-butler-county-pennsylvania-pa.com/

**Baker Trail and Rachel Carson Trail
Trail Maintenance Opportunities for 2006**

The Pittsburgh Council, American Youth Hostels, conceived and built the Baker Trail in the late 1940's and dedicated the Trail in 1950. It was built by returning war veterans who envisioned a network of "youth hostels" along the Trail where the youth of the world could find safe, inexpensive shelter while touring rural America on foot. Today the Trail is 141 miles long and extends from Freeport, PA to the Allegheny National Forest, and traverses Cook Forest State Park, several State Game Lands, Kittanning State Forest, the Mahoning and Crooked Creek Army Corps of Engineers projects, and several local recreation facilities. All AYH members are asked to spend one day a year helping us maintain the Trail. The Baker Trail is 100% volunteer-supported. We use no Federal, State, or Local government funding.

Right now the trail needs AYH members who would like to participate in trail crew maintenance activities. Please contact Steve Mentzer SGMentzer@TrueCommerce.com

Adopt-a-Trail Volunteers needed. We also need volunteers to become trail stewards who are willing to adopt a 3-5 mile long section of the Baker Trail. Trail stewards will be independently responsible to work on their section of the trail on their own schedule. Responsibilities include painting yellow blazes on the trail once a year, picking up debris and trash off the treadway, and trimming vegetation away from blazes. Optional skills include chain saw work, shelter repair (we have 10 overnight shelters on the trail that require yearly maintenance—adopt a shelter as your own personal project) and/or you can build bridges, sidehill supports, benches, and other trail amenities. Regardless of the level of your effort, you would be expected to walk your trail section twice a year, preferably once in the spring (April, May) and once in the fall (September, October). All expenses for supplies—paint, brushes, etc.—are reimbursed.
